

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 22, 1995

SUBJECT: **SB 998 - HB 1368**

This bill, if enacted, will amend the law relative to obtaining a marriage license by requiring that both individuals applying for a license shall submit to the issuing officer a certificate from a qualified physician and a laboratory report indicating that such applicants have submitted to a test for syphilis and HIV within 30 days prior to the date of application.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures in excess of \$1,000,000. This is based upon an estimated 166,000 marriage license applications of which an estimated 75% would require such services from the local county health department.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
